Prayer for Creation

Creator of all,
We thank You for the gift of the earth -
its waters, skies, forests, and creatures.
Help us to tread gently, to care wisely,
and to protect what You have entrusted to us.

May we know Your presence today in every leaf,
hear Your voice in the wind, and feel Your love
in the soil beneath our feet.

Guide us to live in harmony with creation, so that future
generations may know its beauty.

Amen

ECO-Friendly Tips

Unplug and save energy: Turn off and unplug electronics, chargers, and appliances when they're not in use. Even in standby mode, they consume energy and you can lower your carbon footprint.

Green Energy Audit: At Church, have you considered doing a carbon footprint audit? Here is the link to a checklist from the Methodist

Church https://www.methodist.org.uk/documents/10782/net-carbon-zero-checklist_nTyoXPG.docx

Question for Churches

Are there any local environmental concerns that you have within our Black Country Circuit area. Email Steve in order that we can discuss as a Circuit stephenjallen17@gmail.com

Wesley Methodist Church

Want to try something new?

Steve and I are leading worship at Wesley on the evening of Sunday 2nd February at the usual time of 6:15pm. Worship will take the form of Taizé style, using simple reflective music, prayers and readings (and no sermon!).

All are welcome, from all churches in the circuit or outside our own circuit, to come to worship together and experience something different, that may be new to you.

If you play a musical instrument and wish to come along to participate in accompanying the music we will sing together, then please let me know.
