Steve Allen, Environmental Lead for the Black Country Circuit would like you to give a few minutes to consider which of the events below you would be willing to support.

Please return your answers to the Circuit Office – blackcountryad@gmail.com by 31 August 2024

IDEAS FOR CIRCUIT CARE FOR CREATION

If we had any of the below - which events / activities, would you support

1. Bible Studies focussed on creation care
2. Community clean-up day (local to churches or parks)
3. Prayer Walk
4. Art or Music Event focussed on the beauty of creation
5. Regular Eco-Challenges to do at home
6. Nominate and support a local environmental cause within the circuit
7. Arrange a talk from A Rocha UK or other Christian / Environmental Charity
8. Sharing Scheme – to share seeds / plants with others to encourage planting and wildlife

Or let me know of other suggestions.

Thank you

Steve Allen

Season of Creation 2024

Did you know that the beginning of September through to 4th October is a time when we celebrate the Season of Creation, known often as Creationtide or Creation time.

It is a great opportunity within our churches across the circuit to celebrate, worship, hope and reflect on how we can act to care for God's creation - not only to demonstrate our commitments as a Circuit to become an ECO Circuit, but to recognise that we can ALL do something to make a difference.

Both the Methodist Church and JPIT (Joint Public Issues team) have put together useful ideas for worship, prayer and activities that you may wish to explore as you think about how God's creation can be celebrated and provide an opportunity to share concerns through all church activities. How great to perhaps share ideas and get all groups involved in some way, through art and craft, music, prayer, worship, outdoor activities....

Please do have a look at the resources in the links below; and PLEASE SHARE with me anything that you do within your Churches in order that we can share wider across the circuit and give thanks.
