Prayer for World Wildlife Day (3rd March)

Creator of all,

Thank you for the incredible beauty and diversity of wildlife.

Open our eyes to the impact of our choices
and inspire us to protect and restore nature.

Give us wisdom to care for every creature
and courage to stand against destruction.

May we live in harmony with the earth,
respecting all life as sacred.

Amen

ECO-Friendly Tips

For Churches: Plant flowers and shrubs to support pollinators and local wildlife. Encourage congregation members to find out more and support conservation initiatives

For Homes: Could you create a wildlife space, plant native flowers, provide bird feeders, and avoid pesticides. Limit outdoor light pollution using motion sensor lights to help nocturnal wildlife thrive

Question for Churches

Over the next week, as we approach World Wildlife Day, could you celebrate and show your commitment to caring for diversity of wildlife through your prayers, church notices, activities and discussions. Perhaps think of ways as a Church that you could talk with family, and friends about ways to care for the environment. Email Steve and share what you do in order that we can share across the Circuit @ stephenjallen17@gmail.com
